# S06

Calavercha, situada en la región central del suroeste de España, es más conocida por la calidad de sus temperaturas en cualquier época del año, favoreciendo y manteniendo la esencia del jamón.

Este tipo climatológico que favorece sus condiciones con su clima, es un auténtico el mejor aliado de nuestros productos. La temperatura perfecta, el óptimo grado de humedad, el aire puro y limpio, son los ingredientes de una crianza lenta y adecuada que confiere la calidad y exquisito sabor de los jamones CASA VIEJA.
