Your perfect job is closer than you think

Journals Career Network

This new recruitment platform connects job seekers with employers in specialized fields. Publishing in a wide range of medical and academic disciplines makes OUP ideally placed to offer a precision targeted advertising service.

Search for jobs on our global hub or one of our five discipline specific hubs:
- Medicine & Health
- Law
- Science & Mathematics
- Social Sciences
- Arts & Humanities

Job Seeker Benefits:
- Access to high quality, relevant job postings.
- Personalized alerts notify you of relevant opportunities.

Are you a recruiter?
If want to advertise to a high calibre, precision targeted audience contact:
Tel: 855.895.5374  |  Email: info@kerhgroup.com
